Friends of Noxubee Refuge (FONR) Papers Series 1 and 2 FINDING AID

Biographical Information about Creator of Collection:

According to the website, "Friends of Noxubee Refuge was founded in 2003 as an independent, nonprofit 501(c)3 organization, dedicated to conserving our natural resources through volunteer work and fund raising. Friends promote and support the preservation, history, and use of the Noxubee Refuge, as well as assist Refuge staff in carrying out their mandates."

Collection Processor and Creator of Finding Aid: Perian Kerr

Provenance: Sometime around 2017 this collection was brought to the Starkville Public Library in two boxes, which we refoldered and transferred to two banker's box sized archival boxes. Later more boxes of papers and some more textiles were added. In July 2023, the local hstory librarian reorganized the whole collection, relabeling file folders, separating minutes and treasury reports from other papers, adding a 4th box for for non- FONR materials from the National Friends of Wildlife Refuges , and adding another series for textiles.

Extent: This collection is presently contained in 3 archival boxes the size of banker's boxes. This collection is of a changing nature, since periodically the organization sends more papers to be added to the collection.

Scope: Friends of Noxubee Refuge papers and textiles.
